

Pathfinder II Flood Resilience Project

What is it?

Your community has signed up to be part of the Pathfinder II Project run by Northamptonshire County Council. The project aims to facilitate community-led improvements in resilience and preparedness.

How does it benefit you?

- Engagement events with the community to promote flood awareness
- Training for flood wardens
- A flood survey and report undertaken by civil engineers
- Support in developing emergency plans

Contact us:
www.floodtoolkit.com

How can I get involved?

- Sign up to become a flood warden!
- Complete a Household Emergency Plan
- If you have skills or equipment that could be useful in an emergency, contact the parish council so they can include you in their emergency plan.
